Laura Martinez

Bilingual UGC Creator · English + Español

Content that sounds like a friend, *not an ad.*

I'm a 30-year-old career woman, wife and dog mom. I create direct-to-camera content with a performer's ease on camera, and I deliver **every video in both English and Spanish**. Two native versions, never subtitles, so one collaboration reaches two audiences.

Two audiences, one shoot

Fully native Spanish cuts, re-recorded rather than translated.

Brand-safe and on brief

Experience with regulated categories and compliance-reviewed scripts.

At ease on camera

A stage performance background means delivery that never reads stiff.

Content and presence

UGC for your channels, posts on mine, and in-person brand events.

ENGLISH + ESPAÑOL

One idea.
Two voices.

Every video available as a fully native Spanish version.
